

McKenna Long & Aldridge LLP Attorneys Publish REACH-related Articles in Legal Publications

McKenna Long & Aldridge LLP Attorneys recently published two articles on the up-coming REACH Regulation.

“A Legal Perspective on the EU REACH Proposal”

Robert Matthews and Claudio Mereu published the article entitled “A Legal Perspective on the EU REACH Proposal” in the *International Environmental Law Committee Newsletter* (vol. 6, no. 1, May 2004) of the American Bar Association (“ABA”). The article explores some of the legal issues raised in REACH, particularly as they relate to the procedures and criteria for the adoption of the measures that will have the most significant impacts on certain substances and products.

“Registration, Evaluation, Authorisation and Restrictions of Chemicals: An Analysis”

Ruxandra Cana published the article entitled “Registration, Evaluation, Authorisation and Restrictions of Chemicals: An Analysis” in the *European Environmental Law Review* (vol. 13, no 14, April 2004). The article analyzes the individual provisions in the European Commission’s proposal by reference to the objectives sought by the revision and by reference to the general principles of Community law.
